Texas Annual Conference

Methodist Episcopal
Church, South.

Sixty-Third Session

Editor's Note.

1. I had hoped to get the Annual out much earlier, but desiring to have this issue as nearly full and accurate as possible, more time was allowed to be consumed getting some necessary information than would have been under other circumstances. And the printer has much overrun the date set for the completion of his work. I think it will be found that the book is nearly complete in all details. That there are some inaccuracies I am sure. I would be pleased to have all errors reported to me, that I may at one time correct all through the *Advocate*.

2. The cost has greatly exceeded the appropriation. The illustrations occupy thirteen pages, and the directory, proceedings and tables occupy some fifteen or more pages than usual. The increased weight of the book makes the cost of distribution much larger. I expect to ask, through the Presiding Elders, contributions to make up the deficit.

3. Owing to our distance from one another, it has not been easy for Brother Smith and myself to work to advantage; but material assistance has been rendered me by Brother Smith, for which I here express appreciation and thanks.

4. I wish to note the following:

The address of Rev. W. T. McDonald is Huntsville, Texas.

The address of Rev. S. H. Morgan is Willis, Texas.

The address of Rev. J. W. Eichwurzle (supply), is Sandy Point, Texas.

The address of Rev. O. J. Read (supply), is Waverly, Tex.

The numeral 4 should follow name of E. L. Shettles, in list of appointments.

Reports of Boards and Committees.

Board of Education.

Vanderbilt University.

It is always with pride that we refer to the continued prosperity of this great institution, the child of all Southern Methodism, which has grown year by year until it is becoming a stalwart giant among the great Universities of our country, and is blessing our Church and State through the influence of our young men annually going out from its halls and taking positions in the walks of life, and will prove a benediction to posterity.

The Correspondence and Institute Work.

This department is designed to aid Conference undergraduates in mastering the courses required of them by the Discipline, and we recommend that the Examining Committees of the Texas Conference be authorized to accept when they see proper, certificates from the Correspondence Schools in lieu of the Conference Examination by the Committees at Conference, and the Secretary of this Board is instructed to gather the information requested in Art. I. Sec. 3 of Report of General Board of Education and forward same to Secretary of Correspondence School.

Southwestern University.

We rejoice to again note the steady advancement of Southwestern University and it is with pleasure that we mention the fact that emphasis has been given to thorough class work and the character of the teaching has been up to the ever increasing standard. We are glad to learn from the Report of the Curators "that the students have been attentive to duty, courteous

and respectful in their deportment and that drunkenness, gambling and other vices too common in schools and colleges have been almost entirely lacking among the students of this institution; and especially do we rejoice to learn that the institution has enjoyed—as is usual—a fine and extensive revival of religion. The total enrollment for the past session was 437. During the summer \$1500.00 was expended in repairing and refurnishing Giddings Hall. The library is growing, more than \$1500.00 worth of books have been added during the past year.” The supreme need of the University is larger endowment, and the eyes of all Texas Methodism should be turned with intensity of thought and concentration of purpose to the movement now being inaugurated for the accomplishment of this most important object.

The liberal endowment of Southwestern University should lay heavily upon the hearts of preachers and laymen, and with concentration of purpose, that knows no failure, the desired end will be accomplished, and this our central institution will be a power for good to bless generations to come.

We heartily endorse the efforts of the Trustees and Curators to raise \$250,000.00 for the equipment and endowment of Southwestern University and also their action in the election of Rev. James Kilgore as Commissioner of Education and request that the Bishop appoint him to that position. We are also glad to co-operate with the other Conferences of Texas in their effort to secure to Southwestern University an immediate endowment of \$200,000.00 by an Educational assessment of \$10,000.00 on the several Conferences and we recommend the assessment of \$2,600.00 as our share of this amount.

The Institute of Theology.

We recognize this institute and commend the work heretofore done and encourage all the undergraduates and as many others as possible to attend its annual sessions.

Chappell Hill Female College.

This institution has done a good work in the past, and it is with pleasure that we learn from the report of the Board of Trustees that it is still doing well. During the vacation the institution was without a President, but at the beginning of the present session Rev. W. K. Strother, having been elected, took

charge and is giving entire satisfaction, and the school is advancing under his administration, regardless of the depression in financial affairs.

The attendance is as good as it was last year and the faculty are thoroughly competent. The Music, Art, and Elocution Departments are enjoying a liberal patronage in comparison to the general enrollment. The Industrial Department is continued this session, but on a smaller scale.

About \$1,000 has been expended lately for improvements, such as painting, furniture and a general renovating of the building. The institution is out of debt.

Alexander Collegiate Institute.

It is with pleasure that we state that this institution, under the efficient management of Prof. E. R. Williams, is doing a fine work. The enrollment last year was 140, of which 67 were boarders and 71 local. Last year's enrollment being 41 ahead of any preceding year since 1896. The enrollment to date this year is 152. Teachers in Literary Department, 4; in Music Department, 1. The property is valued at \$16,000, with no indebtedness, and \$700 on hand. This institution is located at the prosperous town of Jacksonville, in the midst of the fruit growing country, in a county where local option is in force, and in a refined and moral community, our church at Jacksonville having a membership of 350. The greatest need is additional buildings.

We recommend that hereafter each school requesting aid of the Conference be required to furnish a financial report to the Conference, showing income and expense of such institution, to the end that the Conference and Board of Education may act intelligently in the application of all funds in its hands.

We recommend that the assessment for Paine Institute and Lane College be \$534, and that same be apportioned as follows:

Books and Periodicals.

To the Bishop and Members of the Texas Annual Conference:

DEAR BRETHREN:—Your Committee on Books and Periodicals submit the following report:

It is with pleasure we note the fact that the catalogue of our Publishing House indicates a steady improvement in the class and character of the books that are issued by our House from year to year. We would call special attention to Dr. Tillet's work on "Personal Salvation," and Dr. Kern's on "The Way of the Preacher" as superior to any similar publications with which we are acquainted, and commend them to the careful study of our preachers, young and old.

The report of the Book Agents, referred to us by the Conference, makes a creditable showing as to the volume of business done by our Publishing House. According to this report there was an increase in the sales last year over the previous year of more than \$20,000.00. We are particularly gratified by the growth and continued prosperity of our branch office at Dallas, which has exceeded our expectations in its success. The total sales last year amounted to more than \$100,000.00.

The report of the agents on the volume of business done, both at Nashville and Dallas, is very gratifying indeed; but we cannot understand how it is that with this steady increase in the volume of business done by our agents, they are unable to make any distribution of money to the Annual Conferences for the benefit of our superannuated preachers, their widows and orphans, as the Discipline directs; therefore, be it

Resolved, 1st, That this Conference requests our Book Agents to furnish us a statement of the disbursement of the profits accruing to our Publishing House, showing the cause why no apportionment of profits has been made for the benefit of our Conference claimants.

2d. That the Secretary of our Conference shall furnish a copy of this resolution to our Book Agents and the Chairman of the Book Committee at the earliest date possible.

Your committee would make special mention of the high character of our Sunday School literature. The Children's Visitor and the lesson helps published by our house are equal in their intrinsic excellence to similar publications of other churches, and for our purposes are unquestionably the best,

and therefore, we urge our preachers to make earnest efforts to have our Sunday Schools supplied with our own Sunday School literature.

We regret to report that the Epworth Era was published at a loss of more than \$6,000.00 during the past year. It seems to your committee that if the Epworth League is the organization it ought to be, its organ should be, at least, self-sustaining.

We, also, regret to learn that our Methodist Review was published last year at a loss of about \$2,000.00. Under the able management of Dr. Tigert, whose labors are reinforced by a large number of scholarly contributors, the Review has been made one of the best periodicals of the kind, and it is a reflection on the intelligence and loyalty of our preachers and people that it should be a source of loss and not of revenue to our church.

We are greatly pleased that notwithstanding the high standard of excellence maintained by our Missionary publications, The Review of Missions and Go Forward, that both can be had for 60 cents a year. At this exceedingly low price these admirable missionary periodicals, which are absolutely necessary in order that one may know what our church is doing in the foreign field, should have a vastly increased circulation.

The Nashville Christian Advocate, under the editorial management of Dr. G. B. Winton, continues to be an honor to our church.

Our own official organ, the Texas Christian Advocate, is a paper of the highest order of merit, and richly deserves a place in every Methodist home in our great commonwealth. It is highly gratifying that the communication referred to your committee from the Joint Board shows that during the past year about sixteen hundred new subscribers have been secured. The church is to be congratulated on having the continued service of such a gifted editor as Dr. G. C. Rankin, who has achieved large success in his endeavors to make a paper for the family and for the great body of people in general. In addition to the fact that no Methodist can afford to be ignorant of the great work the church is doing in our Conference and State, there are two other obvious reasons that make it the imperative duty of all our preachers to put forth strenuous efforts to increase the circulation of the Texas Christian Advocate.

The first is, that the contract made with Mr. Blaylock by the Board provides that 5 per cent. of all the receipts from subscriptions obtained by our preachers shall be divided between the four patronizing Conferences, for the benefit of our superannuate fund. And the second is, that whenever the subscription list reaches 25,000, the price of the paper shall be reduced to one dollar. We concur in the opinion expressed by the Board that if all our pastors will make a thorough canvass of their respective charges during the incoming Conference year, that a sufficient number of new subscribers can be secured to guarantee the reduction in price before the next session of the Annual Conference.

Epworth League.

To the Bishop and Members of Texas Annual Conference:

We, your Committee on Epworth Leagues, submit the following report: During the conference year the Leagues in the Texas section of the Conference have grown from 40 chapters and 1404 members, to 42 chapters and 2359 members; and the growth of the Eastern section has been from 25 chapters and 784 members, to 32 chapters and 1036 members. The increase in both sections together has been from 65 chapters and 2188 members, to 74 chapters and 3389 members. This includes both Junior and Senior Leagues.

The Board met and elected the following officers: G. E. Cameron, President; G. L. Conoly, Vice-President; J. W. Bergin, Secretary.

After looking carefully into the subject we make the following recommendations:

1. That each District hold a District League Conference in conjunction with the District Conference of the church. This will cause almost all the pastors and laymen to attend the League Conference, and the young people to attend the District Conference of the church.

2. We recommend a wider circulation of the Epworth Era; that the pastors and league officials subscribe for it and urge the entire membership to do the same. The Era is a

first-class paper and is indispensable to the highest class of League work. The usual club rate is only 75 cents, and there is a special rate during December of 75 cents in clubs of five.

3. We recommend cottage prayer meetings. The result of this will be three fold: (1) It gives our young people something to do, and establishes Christian character. (2) It carries the Word of God, the prayers of devout leaguers, and the songs of Zion into homes or communities where there are those who rarely, if ever, attend the meetings of the church. (3) This class is brought to God and to the church through the League.

4. We recommend the social feature of the Literary Department. Man is by nature a social creature. This is especially true of the young man, and the church or league which supplies him social entertainment, intellectual and Christian in its nature, is the one that has the greatest hold on him and proves the greatest blessing to him.

5. For the Literary Department we recommend the course of study for 1903 and the Missionary Library, and we call attention to the value and greatly reduced prices of these sets of books. For this department we recommend also a systematic study of the Bible, and suggest as helps in this work the revised version of the Bible, the Twentieth Century New Testament, and Moulton's Modern Readers' Bible Series.

6. We recommend the Conference League Conference to be held in Galveston, Texas, and urge a full attendance upon that Conference.

Texas Methodist Orphanage.

To the Bishop and Members of the Texas Annual Conference, Crockett, Texas:

DEAR FATHERS AND BRETHREN:—We your Committee on the Texas Methodist Orphanage, submit the following report: We note with pleasure the statement of Bro. Vaughan, that the children are all in good health. And all of them who are old enough, have joined the Church on profession of faith. They are religious children and live in a religious home. Under the business management of Bro. Vaughan they are fed well and clothed well.

The Orphanage School under the supervision of Prof. S. E. Burkhead is a grand success. It is systematic in method, thorough in its work and purely religious in character.

Judging from the evidence at hand we feel safe in saying, there is no better school for children in the State.

We note with appreciation the service rendered this institution by Rev. R. W. Thompson. We do earnestly pray Almighty God to continue him in strength, enabling him to yet pursue this his fond employ.

We heartily rejoice at the re-appointment of Rev. W. H. Vaughan as its Business Manager, and recommend that L. L. Jester and Rev. James Kilgore be elected as members from this Conference on the Board of Managers.

On the Conference last year there was an assessment of \$1800.00 for the Orphanage, and there was paid the sum of \$2256.50. We recommend an assessment of \$1800.00 for the ensuing year.

District Conference Records.

To the Bishop and Members of the Texas Annual Conference:

DEAR BRETHREN:—Your Committee on District Conference Records submit the following report: All the Records were before us and examined.

Houston District.—This Record is in good form. Some sentences are vague in their meaning such as, "S. W. Thomas reported Washington street." "An applicant for license to preach, was recommended by the West End Quarterly Conference."

Brenham District.—This is an excellent Record, and we desire to commend it, in all its parts.

Calvert District.—This Record is well kept, and no criticisms made upon it.

Huntsville District.—The mechanical arrangement of this Record is fine. There are some interlining and blotches.

Tyler District.—There some omissions, erasures, and contradictions in this Record, otherwise the work is good.

Palestine District.—This Record is marred by some erasures.

San Augustine District.—This Record is a model for neatness, and accuracy.

Marshall District.—This Record is well kept.

Pittsburg District.—This Record specifies that a communication was read and referred; but does not say to what, or to whom. Punctuation is poor. Capital letters are not always used, where they should be.

Beaumont District.—This Record is poor indeed. Grammar bad, penmanship worse, arrangement exceedingly poor, punctuation neglected, erasures and interlining frequent. There is nothing to commend this work, except an effort to make a record.

State of the Church.

To the Bishop and the Members of the Texas Annual Conference:

DEAR BRETHREN:—We, your Committee on the State of the Church, submit the following report: We have been at great disadvantage in securing such data as was needful in order to make such report as we would like. We could not wait until the pastors' reports were all in, neither could we see all these reports, either in the hands of the pastors or of the Statistical Secretaries; but as far as we have been able to gather the facts, we are convinced that a final summary will show very decided advancement.

There have been gracious revivals in many of the charges, and hundreds of souls have been converted and added to the membership of the church. We have also noted with great pleasure the spirit of fraternity and brotherly love with which the members of these two Conferences blended into one.

The recent wonderful development of material resources within the bounds of our territory, which has in great measure turned the tide of emigration toward our part of this great State, makes us rejoice the more in the fact that now we have a strong Conference, and impresses us most profoundly with a sense of our increasing responsibilities and the necessity for

greater effort on our part in order to keep pace with these commercial developments. Therefore, be it

Resolved, That we the members of this Conference will, by the grace of God assisting us, give ourselves more assiduously to the work of our Master, in order that we may hold this great country for the glory of His name.

Respectfully,

A. C. BIGG, *Chairman*.

Sabbath Observance.

To the Bishop and Members of the Texas Annual Conference:

DEAR FATHERS AND BRETHREN:—We your Committee on Sabbath Observance submit the following report: The Sabbath is a divine institution set apart as a day of physical rest and spiritual culture, and as a christian institution commemorates the resurrection of our Lord and typifies our rest in heaven. The experience of man has found that it is physically, mentally and spiritually necessary to the proper development of the race.

We look with sincere regret and sincere alarm on the tendency to convert the Sabbath into a day of pleasure and amusement. The numerous unveilings, celebrations, excursions, base ball games and all day singings on Sunday are serious hindrances to Sunday School and public worship and tend to cultivate a disregard for the sacredness of the day.

Therefore we recommend the following resolutions:

Resolved, 1st, That we specially endeavor to instruct our people on the sacredness of the Sabbath day, their obligations to keep it holy, and the benefits derived from its proper observance.

Resolved, 2nd, That we condemn, and will use our best efforts to suppress whatever tends to secularize this holy day.

Signed for the committee,

JESSE WILLIS, *Secretary*.

Temperance.

To the Bishop and Members of the Texas Annual Conference:

DEAR BRETHREN:—We, your Committee on Temperance, beg leave to submit the following: We rejoice to know that prohibition is growing so rapidly in the State, and also in the

fact that our church has ever been and is now recognized as a powerful element in the temperance cause. Knowing intemperance to be the greatest curse in our land, every Methodist should vote as he prays, and thereby place ourselves on record against this great evil.

We heartily endorse the Anti-saloon League, which has played some part in every campaign in the State during the last year. We see in the movement the most feasible and practical method of dealing with the liquor question. The law enforcement feature commends itself to the people and strengthens their confidence in the enthronement of the law and in the final triumph of right. To-day we have ninety-three counties in the State that are dry by vote, and sixteen unorganized counties dry, while only fifty-three counties are to-day wet. Forty-one out of forty-seven counties which have voted on prohibition this year have gone dry, showing the great sentiment this cause of humanity and of God has gained. We note with pleasure that quite a number of counties within the bounds of our Conference have gone dry within the past year.

In view of the untiring labors of the Woman's Christian Temperance Union for the cause of Temperance and prohibition, we heartily commend this organization to our people as one worthy of their sympathy and support.

We are glad to know that the people are awakening to their rights, and are electing men of moral character, hence prohibition laws are being enforced in nearly all of the counties. Therefore, be it

Resolved, that we, the ministers and members of this body constantly endeavor to impress upon the hearts and consciences of our people the awfulness of this liquor traffic; that each pastor preach at least once each year on Temperance; that our Sunday School Superintendents and Teachers and Epworth League Officers keep this matter constantly before the children and young people of the Church by precept and by example and by circulating literature; that we will oppose every man for public office who favors the liquor traffic.

Whereas, J. D. Cunningham, State Revenue Agent, has been faithful and efficient as an officer, and has aided the bet-

ter class of our people in enforcing the local option law, your committee takes pleasure in indorsing him for the help he has given us.

Respectfully submitted.

M. D. FIELDS, *Secretary.*

J. L. MASSEY, *Chairman.*

Sunday School Board.

To the Bishop and Members of the Texas Annual Conference:

DEAR BRETHREN:—From the reports given by Pastors we infer that the Sunday School work has made commendable progress during the past year. This is very gratifying for if we are to have strong men and women in the Church who are well established in the faith and can give a reason for the hope that is in them we must lay the foundation for character broad and deep. And, nowhere, except in the home, can this work of forming character and inculcating right principles be as well done as in the Sunday School. Our great need all over our Conference is well equipped teachers, who have a passion for souls, who know how to teach and who make punctual attendance a matter of conscience. We trust that our study

circle will solve the problem to a large extent; we therefore hope for a large circulation of the books embraced in the course. We rejoice to know that children's day fund is steadily growing and increasing and hope that the time will soon come when every pastor shall comply with the injunction of the Discipline in this connection. We recommend that the next institute be held at Marshall as the town has kindly invited us through their Pastor and Sunday School Superintendent.

Report of Mission Board.

The cause of Missions in our bounds is enjoying healthy growth. Considering the disastrous drouth, the old Texas brought up good collections and the Districts from the East brought up full collections. The Board is determined to make a forward movement in Missions. The influx of people into our section, building cities and occupying much of hitherto unused agricultural lands, make the demand for aggressive Missionage work very urgent.

We earnestly call upon all Preachers and people to rally to the aid of our Conference Board in this time of great demand.

A. S. WHITEHURST,
Secy. East Texas Conference

Woman's Foreign Missionary Society.

To the Bishop and Members of the Texas Conference:

As you all know, it is the duty of Sister Park, our Conference Corresponding Secretary, to make report of the work of the Woman's Foreign Missionary Society of the Texas Conference to the Annual Conference. When, on account of bodily affliction, she found she would be unable to attend, she requested our President, Sister Philpott, to make report for her. On last Thursday a letter from Sister Park reached me, bearing information of illness in Sister Philpott's family which would prevent her attendance on this Conference, and requesting me to report the work. This was followed Friday by very meager statistics, from which I was supposed to formulate a report. Had I known the report would not have been written in full and all I had to do was to read it, had I accepted the work at all, it would have been with even greater reluctance.

Those of you who did not know before, if you read last week's Texas Christian Advocate, learned that the Woman's Foreign Missionary Societies of the Texas and East Texas Conferences are not as yet united, nor will they be until March, 1903. So the figures I now present represent work done in what we might term the old Texas Conference, and includes the Austin District of the present West Texas Conference.

There are in the Texas Conference 31 adult auxiliaries, with 546 members; 20 juvenile auxiliaries, with a membership of 428, making a total of 51 auxiliaries, with a membership of 974. 192 subscribers to the Woman's Missionary Advocate, and 171 to Little Worker, which means that only a little more than one-third of the members are reading literature of the Woman's Foreign Missionary Society.

When I first made the additions and read "51 auxiliaries and 974 members," well, I thought, that is not so bad; but on reckoning a little further I discovered that there are more charges without Woman's Foreign Missionary Societies than auxiliaries already in the Conference, and some of the charges have more than one church organization, the picture did not look so bright. If any of you brethren of the old East Texas Conference want an explanation of this state of affairs, you might enquire of the preachers of the old Texas Conference.

The Woman's Foreign Missionary Society is beyond all question doing great work in its appointed field in this the greatest movement of our church.

Even the few auxiliaries of the Texas Conference contributed \$1399.74 to the work, and \$315.13 for the quarter ending August 31, 1902, which you remember was the time of the great drouth. This proves the auxiliaries we have are not asleep.

The juvenile work has suffered much for sake of the Junior League, but has rallied brightly, as shown by reports of several of the districts.

One of our auxiliaries has two Bible women in the field, and from this auxiliary is one of the two pupils we have at present in Scarritt Bible and Training School, preparing themselves for foreign work.

The clothing given by auxiliaries of the Woman's Foreign Missionary Society of the Texas Conference makes possible Christian education for quite a number of children in Methvin Institute and Laredo Seminary, as board and tuition are free to children clothed by the Woman's Foreign Missionary Society, this clothing being given only to those who are financially unable to provide it for themselves.

After the explanation with which this report is prefaced, I hope you will pardon any omissions, but think I have said enough

for you to see this is a good work. Our Discipline authorizes it and we believe in it. Brethren, as in most things, we are dependent on you in this. Wont you help us? We expect great things of ail the members of the "Greater Texas Conference."

Memoirs.

REV. MARION DONEGAN.

Rev. Marion Donegan, a Superannuated member of the East Texas Conference. departed this life in Nacogdoches County, Texas, February 12, 1902.

Brother Donegan was born in Cap County, Georgia, August the 16th, 1821. He came to Texas in 1848 and settled and lived in Rusk County for fifteen years. In 1863 he moved to Nacogdoches County, where he was living at the time of his death. He was married January 10, 1843, in Alabama to N. Lewis, who is one of the most saintly aged women in all the Church. She mourns his death, but rejoices in the hope of his resurrection, and re-union with him in heaven. They had ten children, four of whom still live and bless the church of their father. Preacher's children generally come to honor. Preachers are slandered when they say their children are worse than other people's children.

Brother Donegan joined the Church under the ministry of Rev. Harris Taylor in 1839; was licensed to preach in 1863, Rev. Bille K. Wilson, Presiding Elder; and was admitted into the East Texas Conference at Rusk, Texas, in 1867, Bishop McTyeire presiding.

He traveled the following charges: Douglas Mission in 1868-9, Shelbyville Circuit in 1870, Douglas Mission in 1871, Homer Circuit in 1872-3, Shelbyville Circuit in 1874-5 Mt. Enterprise in 1876, at this time this was one of the best circuits in the Conference; Shelbyville Circuit in 1877, Melrose in 1878-9, Homer Circuit in 1880, Newton Circuit in 1881-2, Jasper in 1883-4, Buena Vista Circuit in 1885, Palestine in 1886-7, Linflat Circuit in 1888. At the close of this year the end of his active

life came. It was a sad time, a dark day when his brethren went out to battle, armed for the fight—but he must remain with the wounded.

He was a good man. The world would not call him a great preacher, but hundreds of the world's people were converted under his ministry. He was not an educated man from the schools, but educated men were made to repent and cry for mercy and were converted under his ministry.

He knew how to pray. The way to God was plain to him. If you heard Brother Donegan pray, you knew that he was talking to God. He was a great exhorter. He knew how to plead with sinners as he knew how to plead for sinners.

Many of us will never forget his face, nor his prayers, and we will all meet him in our Father's House, "Some Sweet Day," when the clouds are gone.

May we be ready as he was ready, and happy to the end.

R. W. THOMPSON,

For Committee.

REV. GEORGE C. HARDY.

George C. Hardy was born in Macon County, Alabama, July 25, 1838, and came to Texas at an early day. Just when we do not know. He was converted under the ministry of Rev. Charles Hamill at Douglasville, Cass County, Texas, in 1858. Very soon after his conversion he felt the call to the ministry and responded without hesitation, and was licensed to preach by Rev. R. Lane, Presiding Elder of the Jefferson District, North Texas Conference. Following soon after the beginning of his ministerial life came the war between the States and he enlisted in the Confederate Army, and fought and preached his way through the war, as brave as a lion, as modest as a woman, as pure as an infant. After the war he continued his ministerial life in the local ranks doing effective service for the Master. He was ordained deacon in 1867, by Bishop McTyeire. We can learn but little of his ministerial life from then until November 1884, when he was ordained Elder by Bishop McTyeire at Sulphur Springs and admitted on trial in the East Texas Conference, at Longview in the same year. He served Alto Circuit in 1885, Canton Circuit in 1886; transferred to the North Texas Conference and served Belden

Circuit in 1887, Gilmer Circuit in 1888, Texarkana Mission in 1889, Howe Circuit in 1890, Post Oak Circuit in 1891-2, Dalby Springs Circuit in 1893, New Boston Circuit in 1894-5, Naples Circuit in 1896, Fairview and Rose Hill in 1897, 1898, and 1899, Redwater Mission in 1900, and his health breaking down he was compelled to desist for some time. At the last session of the East Texas Conference his health still being far from good, he was assigned as junior preacher to Fairview Mission in Texarkana. On Sunday night October 5, 1902, at the home of his daughter in Cass County, Texas, he fell asleep. He was buried at Union Chapel Cemetery, Cass County, Oct. 7, 1902.

Brother Hardy was a man whom to know was to love. He was faithful, upright, conscientious. He was ready to do his Master's work anywhere. His ministry gave forth no uncertain sound. He believed in religion and preached it, sound, solid, substantial doctrine. His faith was unwavering. His trust was in God. His fidelity brought things to pass.

Committee.

REV. WESLEY SMITH.

At the home of his son, in Abilene, Texas, surrounded by his children and grand-children, in the early morning of the first day of April, 1902, Wesley Smith, one of our oldest members passed to his reward. He was the son of Joshua and Mary Smith, born in Robertson County, Tennessee, January 4, 1815. His parents were pious Methodist people, and impressed early upon his young mind the importance of an upright Christian life. His early education was such as his country afforded. At the age of seventeen years, he was put to school at LaGrange College, Marion County, Alabama, then under the care of Robert Paine (who was afterwards our dear Bishop); he remained here two years. The Bishop's life made such an impression upon him that he followed in all the after years of his life, with warmest admiration, as his ideal Christian character. After leaving school he went to Mississippi, and engaged in merchandising. On the 12th day of November, 1835, he was happily married to Miss Mary Killen, of Franklín County, Alabama. With his young wife he returned to his business in Mississippi. On the 23d day of September, 1836, his wife died, leaving an infant of two weeks old. This

child, at the age of fifteen months, passed away to join its mother, leaving the father in sadness. In this hour of great trouble he revealed the fact to his brother, William A. Smith, a Methodist minister, that he had for several years felt he was called to preach, but had determined in his own mind he would not yield to the call. He continued to pursue various callings, and tried several kinds of business with but little success. On the 13th of March, 1838, he was married to Miss Mary A. Farr, of Tuscumbia, Alabama.

In the year 1839, he was converted and became a pious man. In Marion County, Alabama, on the 8th day of July, 1843, he was licensed to preach, in Ebenezer Church, Athens circuit, by W. Murrah, P. E. He was faithful and successful as a local preacher. He was ordained deacon by Bishop Paine, in Aberdeen, Mississippi, on the 30th day of April, 1848. In 1850 he was a supply to a colored mission in Gainesville District, Alabama Conference. This was a colored mission, and it is said the slave-holding planters were delighted with his work among their slaves.

In the fall of 1851 he with his entire family moved to Texas, arriving in Austin on the 26th day of November. Here he continued to work as a local preacher. At the session of the Texas Conference in Bastrop, in 1852, he was ordained Elder by Bishop Paine. In the fall of 1856, he was admitted on trial into the traveling connection in the Texas Conference, at Galveston, and was by Bishop Pierce appointed to San Saba Valley Mission. He then filled successively: In 1857, San Saba Valley Mission; in 1858, Colorado Mission; in 1859, Columbus Circuit; in 1860, Alleyton Mission; in 1861, Eagle Lake Circuit; in 1862 he was tax assessor of Colorado County; in 1863 and 1864, he was on Navadad Circuit; in 1865, he was supernumerary; in 1866, Colorado Mission; in 1867, Columbus Circuit; in 1868 and 1869, he was again supernumerary; in the fall of 1869, he was transferred to the West Texas Conference, and appointed to Gonzales Circuit; in 1871, Victoria Station. During the year 1871 he was agent of the American Bible Society; he continued to travel in this connection until the 30th of May. 1876, he was transferred back to the Texas Conference in the fall, and was appointed to Navadad Circuit. During the years 1878, 1879,

1880, 1881, he was superannuated. In the fall of 1881 he was reported effective, and was appointed to Weimar Circuit; this was his last effective year. The remaining years of [his] life he enjoyed a superannuated relation in this Conference, living in and around Abilene all the while, until it was said to him, "come up higher and enjoy the fruits of a long life spent in the service of the Lord."

H. M. SEARS,
For Committee.

REV. ALEXANDER E. GOODWYN

One of the brightest and happiest homes in our Conference was made silent and sad on the second day of the new year 1902, by the announcement of the death of our dear brother Rev. Alexander E. Goodwyn, D. D. He was born in Harrison County, Indiana, Feb. 20, 1828. Removed with his parents to the State of Louisiana, while he was yet quite young. At the age of seventeen years, he was converted and ever afterwards lived a consistent Christian life. In his early life he had received a good education, and he continued to improve it as long as he lived. In the fall of 1846, he was admitted on trial into the traveling connection, of the Louisiana Conference M. E. Church, South, and became an earnest and successful preacher in that Conference.

He was a close student, he read books and men, and sought by all possible means to make of himself an efficient and successful pastor. His sermons were logical and forceful, he carried into his pulpit the very impress of the closet, preached the word with unction and power.

He was far above the average as a preacher. He was a true friend, and many hearts in this Conference will echo this sentiment.

He went into the homes of his people and learned their needs, and tried everywhere he went to scatter sunshine and happiness and usually left in the home some influences that were as seed sown in good ground to bring forth fruit to the honor and glory of his church and Master. He loved his brethren, and his brethren loved him. He was a busy preacher, always about his Masters business.

He was a great lover of the children and always sought to do them good and cultivate their friendship, which he usually succeeded in doing, the law of kindness ruled in his heart and he was always happy in the society of the children. His communion with his Heavenly Father, was so child-like, that even the pictures of his face shined with a halo of supernatural joy as he enjoyed the society of the young people, and while he was not much given to the pathetic, yet often times his deep conception and clear presentation of spiritual truth would move his audience to a flood of tears.

Dr. Goodwyn was twice married. On the 6th day of Sept. 1856, at Swan Lake Church, La., he was married to Miss Lucy A. Harper. To this marriage was born one child, the mother and little one lived a few years and passed away, leaving him a sad husband and father. On Nov. 10, 1862, at Vicksburg, Miss., he was married to Mrs. L. N. Brown, who still survives him. Three children were born to this marriage, all of whom live and mourn his absence.

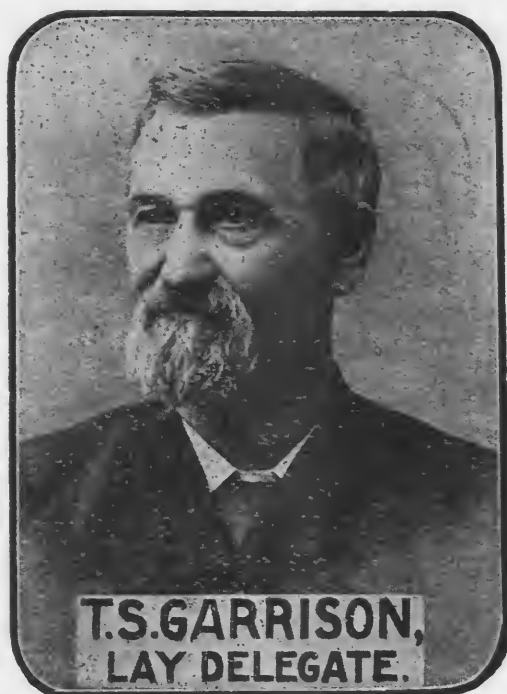

During his ministry he was appointed to and served the following pastoral charges: In 1847 he was appointed to Minden, La., 1848, Bossier; 1849, Natchitoches; 1850, Bastrop; 1851, Mansfield; 1852, Plaquimine; 1853, Baton Rouge; 1854, Oppelousas; 1855-6, Alexandria; 1857-8, Minden; 1859, Waterproof; 1860, Mansfield; 1861-2, Franklin; 1863-4-5, Alexandria District; 1866, Oppelousas and Franklin Districts; 1867-8 New Iberia District; 1869-70, New Iberia Station; 1871, Oppelousas; 1872-3 Baton Rouge; 1874-5-6, Shreveport; 1877 Baton Rouge. In the fall of this year he was transferred to the Texas Conference and was appointed to St. Johns, Galveston, in which charge he remained two years 1878-9; in 1880-1, Bryan; 1882-3-4-5, he was at Austin; 1886-7-8-9, at Brenham; 1890, Huntsville; 1891-2, Chappell Hill; 1893-4-5-6, Marlin; 1897-8-9, Flatonia. In the fall of 1899 he superannuated. Fifty years of faithful earnest work in the ministry of the Methodist Church without a break. He loved Methodism, was well versed in her doctrines and usages and heartily endorsed her doctrines and discipline. He was always an active member of his Conference filling for many years important places. He was chairman of the Board of Education, and the Preachers Aid Board at the time of his death, also a member of the Committee on Memoirs. In every place of

trust he was active and faithful. Promptness was a principle with him, for fifty-two years he answered to roll call on time.

He has left the fragrance of a successful and pure life as an inheritance to his Conference, but he is gone from us,—no more will he answer to roll call with us, no more will we grasp his hand or hear his voice, until upon the resurrection morn he “shouts our welcome to the skies,” He has gone from us, he went in the vigor and bouyancy of a serene and sunlit old age. Death came suddenly but there was no surprise, his lamp was trimmed and burning,—had been burning for over a half century—and so life’s voyage closed with our dear brother and he anchored safely in the harbor of endless rest. He leaves to be remembered by his brethren a dear wife, three children, two step children, besides grand-children; for all of whom our sympathy and prayers shall constantly ascend.

“At midnight came the cry, To meet thy God prepare;
He woke and caught his Captain’s eye, Then strong in faith and
payer,
His spirit with a bound, left its encumbering clay:
His tent, at sunrise, on the ground, A darkened ruin lay.”

I. & G. N.

THE ROSE OF SHARON AND the lily of the valley—so to speak—are symbolized by the new equipment recently made a part of the I. & G. N. passenger service, 21 cars in all! Plush chair cars—a beautiful fancy—Peerless parlor cars—a real ideality. The cosy atmosphere of homelife pervades them. Ladies toilet rooms unusually spacious and splendid. In this age a bit of travel assumes a place in the regime of every day life. Why not make it pleasantly memorable by availing yourself of the most magnificent modern medium of conveyance.

"HOW DULL IT IS TO pause!" Improvement and enlargement go hand in hand with the I. & G. N. The latest achievement is the completion of the Fort Worth division as far as Fort Worth—affording train service twice daily between Waco and main line points from Longview to Laredo, Austin, San Antonio, etc., with through sleeper and reclining chair cars.

Of course everyone knows that St Louis, Memphis and other objective points northeast and southeast are best reached via the unrivaled thro' service of the I. & G. N.
